

Pacifica Coaching Referrals

Pacifica Coaching offers its services to lay and rostered leaders or teams who are facing challenging situations. Anytime you or someone you know could benefit from coaching, here is the process. A Referrer may identify a potential coaching client and introduce the person to the Synod Coaching Coordinator or a leader who wants coaching may contact the Synod Coaching Coordinator directly.

A Referrer identifies people who can benefit from coaching. Referrers include: Bishop, Synod staff, pastors, Stephen Leaders and Ministers, congregation Council members and staff, and all congregation members.
